

*The gospel . . . by which you are saved: that Christ died for our sins according to the Scriptures, that He was buried, and that He rose again the third day.*

**PRAISE THE LORD FOR NEW BELIEVERS AND NEW CHURCHES!**

**EAST TIMOR** ➤ Over 3 days in March, **Aaron & Noemi Arsino** shared the gospel with students in their English classes. The first day 3 trusted Christ as Savior, the next day 5 more, and the following day, 4 more! Pray for solid follow-up. Arsinos are expanding their ministry to neighborhood children, teaching them English and Bible stories.

**MYANMAR** ➤ The new building is ready to hold Sunday services, Bible school and English classes downstairs and house Bible school students upstairs. Pray for **Improsos and Banacs** offering an English camp April 12-17 and sharing the gospel with attendees.

**KENYA COAST** ➤ Pastor **Peter Kagwi** reports: "Five adults and 20 children gave their lives to Jesus during person-to-person evangelism and *Jesus Film* showing during our ministry trip to Kinango, home village of Berean Grace School of Ministry student, Joel Charo. Pray those saved will be spiritually nurtured."

**WESTERN KENYA** ➤ **Robby & Tegwen Heath** traveled 10 hours to western Kenya with TCM-Kenya Director **Titus Kivilu**, for outreach in Bungoma. "It was such a joy seeing people in this place learn the Word of God during our teaching sessions and more joy seeing many people praying to accept Jesus Christ as Savior. During 3 days of evangelistic ministries, we reached many people with the gospel and 27 gave their lives to Jesus." Pray for Pastor Robert Simiyu, George Wesonga and Augustine Simiyu as they follow up and establish the new Grace church in this area.

**NORTH BRAZIL** ➤ **Joe & Michelle Campos** are enthusiastic about evangelistic efforts targeting a new area, Vitoria de Santo Antão, a city of 140,000 people, where they plan to establish a vibrant Grace church. Though there is a lot of work ahead, they move with the confidence of those who have seen the Lord's mighty hand work time after time in their favor.

**PRAISE THE LORD FOR A SUCCESSFUL SURVEY TRIP TO TAIWAN**

**Ben Anderson** and new **Team Taiwan missionaries, Vincent Quiñones and Roland Improso**, traveled throughout Taiwan in March. Despite being told this never happens, an elderly Taoist lady and her Buddhist family invited them into their home for a talk and refreshments. They also met 2 young people eager to attend Bible school—something else they were told never happens. Vincent concludes, "If your connection to God is right, God will connect you to the right people." Pray for Quiñones and Improsos preparing to move to Taiwan in August and enroll in language school to learn Mandarin and secure student visas.

**PRAY FOR VISAS MISSIONARIES NEED TO CONTINUE THEIR MINISTRIES.**

**Dean & Sheba Padayhag** hope the clearances needed to complete their visa applications will arrive soon so they can return to South Africa. They have been actively ministering in the Philippines while waiting, but are eager to further the work of Grace Outreach Ministries of South Africa (GOMSA).

Sheba & Freda

**Mel & Freda Guimba** have spent 8 years serving in a Communist Southeast Asian country. In December, just before leaving for a 3-month furlough in the Philippines, Freda unexpectedly lost her teaching job that provided their visas. They returned March 27 on tourist visas that expire in May. "We really need your prayers at this time that the Lord will orchestrate a divine connection and make a way for us."

**Aaron & Noemi Arsino** were able to officially register their English Language Learning Center. On the basis of that registration they applied for work visas in mid-March. Pray the visas will be approved soon as the penalty for overstaying mounts each day. Once the visas are approved, they must exit the country and get the visas stamped in their passports on re-entry.

**FAITH THROUGH THE STORMS**

**Julia Liles** writes from Cambodia, "This is an encouragement to us all! Thank God, Sister Sophal had a successful cancer operation—her 3rd! AND she spent time to share about Jesus and the Truth of the Bible with a Muslim patient! Fantastic conversation—I was blessed through it. We appreciated listening and sharing with this man and family! Sophal is a wonderful example and hugely encouraged me." Pray full healing for Sophal as well as for Julia's dad in England recovering from a stroke.
